TredLife technology **improves strength and wear resistance** to ensure high mileage performance.

Durability Performance

2 ply construction **improves durability** against side wall impact and pot holes.

Quiet Performance

Added rubber strips between the ply and the liner **reduces the tyre noise**.

How the warranty works

Every Goodyear Assurance DuraPlus 2 tyre comes with a mileage warranty of 70,000km. If the tread on your Assurance DuraPlus 2 tyre wears down to the treadwear indicators (worn to 1.6mm) before reaching 70,000km, the tyre will be replaced on a pro-rata basis.

For example, if you only travel 35,000km on your tyres before the tyre wears down to the treadwear indicators, Goodyear Autocare will provide an equivalent replacement tyre at 50% off the current recommended retail price.
